Forststr. 38 – 40
42697 Solingen
Telephone and Fax: 0212/ 233 56 60
oder aus dem Ausland 049 212 233 56 60
E-Mail praxis@wieschhues-slater.de

The appointment for the first interview will only follow once you have phoned me during my telephone call time:

- Tuesday: Between 15.00 and 15.30 Uhr
- Thursday: Between 14.30 and 15.00 Uhr

You have the opportunity to complete a short questionnaire in advance, so that we can easily make an appointment for the first interview during my telephone call time. Your information will be treated confidentially and handled with discretion.

For the first appointment, you need your medical insurance card and a valid letter of referral or 10, 00 € practice charge. For the treatment of children and young people you only need to have the medical insurance card.

For every new quarter, the medical insurance card will be recharged, and for the treatment of adults a new letter of referral or the 10, 00 € practice charge is necessary. If we agree to work together after the first diagnostic sessions, you will be entered on the waiting list. Usually the therapeutic treatment will start during the next 3 months, after we have filed the application with your insurance provider.

For diagnostic clarification, you will need a supplementary somatic test through the doctor of your choice.
